Then, if we go to a library in our world...

RUSTLE

This wasn't like this before!

It was a lynch mob.

I guess it was arson.

The mansion that burned down belonged to the owner of this land.

The townspeople accused his oldest son, who was twenty-four, of being the perpetrator of the murders... it says.

The corpse of the man was found...

HUH?

MY SISTER CAME UP WITH A HYPOTHESIS.

NEXT, SHE WENT TO HER BEDROOM.

BEACUSE SHE KNEW HIRO HAD NEVER BEEN THERE.

THE PAPER-BAG MAN WAS THE CLUE.

IF A THING HASN'T BEEN SEEN IT WOULDN'T BE IN THE DREAM.

SHE FOUND THE BEDROOM EMPTY.

THIS SPECIFIED THAT THE DREAM COULD ONLY BE HIRO'S.
